INTERNSHIP OFFER LETTER

Dear Devadharshini Radhakrishnan

Ref. : CTI/A1/C72401

Congratulations! We are pleased to inform you that you have been selected for the position of Data Engineering Intern at Cognifyz Technologies. We were impressed by your qualifications, skills, and enthusiasm for data engineering, and we are excited to have you join our team.

As a Data Engineering Intern, you will have the opportunity to work on various data engineering projects, develop and maintain data pipelines, and contribute to the optimization and management of our data infrastructure. Your role will be crucial in ensuring the integrity, efficiency, and scalability of our data systems.

We believe that your analytical skills and dedication to data management will make a significant impact on our organization's projects. We are confident that this internship will provide you with valuable hands-on experience and further enhance your skills in data engineering.

Congratulations once again, and welcome to Cognifyz Technologies! We look forward to your contributions and growth during this internship.

Best Regards,

Sukrit Chaudhary
